**SPECIAL REPORT TO MAGISTRATE**

Come now the Defendants, Sgt. William Banks, Ray Arnold, Officer Christopher Watson, Officer Bradley Cain and Sgt. Donny Smith, pursuant to this Court's Order of May 23, 2007, and would report to the Magistrate as follows:

**Facts**

On October 9, 2006, at approximately 4:14 A.M., Officer Ray Arnold and Auxiliary Police Officer William Banks were on patrol and discovered a bay door unsecured and partially open at A&C Auto Repair located 1350 Fountain Street, Dothan, Alabama. Officer Chris Watson was called as a backup officer. When Officer Arnold and Officer Watson entered the building they heard noises coming from an office area in the back of the building. The building was dark and the

officers were using their flashlights to see. When Officer Arnold entered an office, he found Mr. Calhoun in the corner of the office. He had been loading tools in a basket. Officer Arnold ordered Mr. Calhoun to show his hands and he refused. Officer Arnold ordered Mr. Calhoun to get on the ground and he refused. Officer Watson then entered the room. Mr. Calhoun was refusing to comply with Officer Arnold's repeated orders to get down; then he approached Officer Arnold in a fast aggressive manner. At that time, Officer Watson used his tazer to subdue Mr. Calhoun. Officers then tried to handcuff Mr. Calhoun but he physically resisted. Mr. Calhoun was then administered another five-second charge from the tazer and the officers were able to get him secured in handcuffs. The tazer leads striking Mr. Calhoun, and subsequently being removed, caused small pricks to his skin which bled slightly. Mr. Calhoun was placed in a patrol car while officers proceeded to secure the scene. K-9 Officer Brad Cain arrived and used his K-9 partner to search the building for additional suspects. Investigator Sgt. Donny Smith arrived and photographed the scene including tools which had been removed from the building that were discovered across the street. Only that force necessary to arrest and subdue Mr. Calhoun was used by the officers. He did not appear injured nor did he request medical treatment at the scene. (Ex. "A", Affidavit of Ray Arnold; Ex. "B", Affidavit of Christopher H. Watson; Ex. "C", Affidavit of Bradley Cain; Ex. "D", Affidavit of Donny Smith; and, Ex. "F", Affidavit of William Banks.)

When Mr. Calhoun arrived at the jail he was booked on the charge of Burglary 3<sup>rd</sup> degree. Jail Security Officer Hess processed Mr. Calhoun at approximately 6:35 A.M. Officer Hess noticed the dried blood on Mr. Calhoun's shirt and noted that he had been tazed on scene. Mr. Calhoun did not appear to be in need of medical assistance. Mr. Calhoun did not complain of any injury, nor did he request medical assistance. (Ex. "G", Affidavit of Jesse Matthew Hess; Ex. "E", Booking video; Ex. "H", Dothan City Jail Inmate Medical Screening Form; and, Ex. "I", Booking photograph).

After Mr. Calhoun was booked into the Dothan City Jail he was transported to the Dothan Police Department where he was interviewed by Sgt. Smith regarding the burglary. Prior to beginning the interview, Mr. Calhoun signed a waiver of rights form. At no time did he complain to Sgt. Smith about an injury or request medical assistance. Sgt. Smith subsequently obtained a warrant and signed a complaint for Burglary 3<sup>rd</sup> degree. Shortly after his arrest, Mr. Calhoun sent a letter to the Dothan Police Department Criminal Investigation Division. In his letter, Mr. Calhoun proposes working as an informant in return for getting out of jail. Nowhere in that letter is there any reference to an injury or any mistreatment allegedly suffered by Mr. Calhoun at the hands of Dothan Police Officers. At no time since the events of October 9, 2006 has Mr. Calhoun, or anyone on his behalf filed a complaint with the Dothan Police Department regarding injuries or

mistreatment suffered during Mr. Calhoun's arrest. (Ex. "D", Affidavit of Donny Smith; Ex. "J", Affidavit of Ray Owens; Ex. "M" Waiver of Rights; Ex. "Q", Warrant and Complaint; and, Ex. "R", Calhoun's letter).

On October 9, 2006 at 10:33 A.M. Mr. Calhoun was turned over to Houston County Sheriff's Department. Upon being booked into the Houston County Jail, the booking officer noted that there were no "symptoms of need for emergency medical treatment." Photographs from the Houston County Jail do not show any obvious injury to Mr. Calhoun. Documents provided by the Houston County Jail show that the only complaint related to his arrest was that his ear filled up with blood when he was tazed. This statement was made on May 10, 2007, six days before filing this action. However, on October 17, 2006, eight days after being arrested, Mr. Calhoun told jail medical personnel that his ear problem was due to being in an explosion. None of the documents from the Houston County Jail indicate that Mr. Calhoun was treated for any injuries received at the time of his arrest. (Ex. "N", Houston County Jail photographs; Ex. "O", Houston County Jail medical documents and inmate request forms; and, Ex. "K", Houston County Jail Receiving Screening Form).

The Plaintiff has no medical records to attach because he did not require or request medical assistance at the time of his arrest.

## **RESPONSE TO SPECIFIC ALLEGATIONS**

### **Ground One - Police Brutality**

Plaintiff alleges that he was tazed by “four different tazer guns at the same time” and that he was “shot in the head and heart area.”

At the time officers discovered Mr. Calhoun in the business, there were only three officers on the scene and only two of them were inside the business. Officer Watson was the only officer to deploy and fire his tazer. The tazer leads struck Mr. Calhoun in the left shoulder and left side. No tazer leads struck Mr. Calhoun in the head or near his heart. After initially being struck with the tazer, Mr. Calhoun resisted officers’ attempts to cuff him and he was administered an additional five-second burst from the tazer. No officers fired a firearm at any time during this incident.

### **Ground Two - Cruel and Unusual Punishment**

Plaintiff alleges that officers “continued to taze me after I was hand-cuffed inside of this building for approximately 30 min” that he was tazed again after being placed in the patrol car and that he was poked in the ribs with a stick.

Mr. Calhoun was administered a second five-second burst of the tazer when he resisted officers attempts to handcuff him. It is practically impossible for a tazer to fire for 30 minutes. (Ex. “L”, Affidavit of Jeff Arnold). He was not tazed at any time after being cuffed or when he was in the back of the patrol car. At no

time did any officer poke Mr. Calhoun anywhere with a stick. Dothan Police officers only arrested Mr. Calhoun, they took no part in his sentencing or “punishment” for the charge of Burglary 3<sup>rd</sup> degree. On April 17, 2007 Mr. Calhoun pled guilty to Burglary 3<sup>rd</sup> degree. The Honorable Judge Denny Holloway sentenced Mr. Calhoun to ten years in the state penitentiary. Due to Mr. Calhoun’s prior felony convictions, a ten-year sentence was the minimum sentence available. (Ex. “P”, Plea of guilty, Ex. “S”, Probation Report).

### **Ground Three - Intentional Infliction of Pain and Suffering**

Plaintiff alleges that officers conducted an “illegal interrogation” and “continued to taze me and stick me in the ribs with their stick.”

See response to Ground One.

### **Ground Four - Deliberate Indifference Towards Detainee’s Medical Needs, Not Being Treated by Qualified Physician or Paramedic**

Plaintiff alleges that he “was bleeding very bad from the head and heart area” and that officers “refused me medical attention and a body chart.”

The probes on the tazer leads can cause slight bleeding. The “wound” caused by the probe is generally smaller (about half the size) than the letter “I” used throughout this document. Mr. Calhoun’s thrashing and movement while resisting officers’ attempts to cuff him could have increased the amount of bleeding. Officers were able to remove the probes without difficulty and the bleeding had stopped prior to leaving the scene of the burglary. The only bleeding

that officers noticed was on his left shoulder. The available photographs and video only show dried blood on Mr. Calhoun's left shoulder. Neither of the tazer leads struck Mr. Calhoun in the head. Mr. Calhoun was not bleeding from the head at any time while in the presence or custody of Dothan Police officers on October 9, 2006. The available photographs and video show no blood on Mr. Calhoun's head or anywhere near the collar of his shirt. At no time while in the presence or custody of Dothan Police officers on October 9, 2006 did Mr. Calhoun appear to be in need of medical attention or request medical treatment. Respondents are unsure of the nature of the allegation that they refused Mr. Calhoun a "body chart."

### **Probable Cause**

Dothan Police officers had probable cause to arrest Mr. Calhoun. Mr. Calhoun was discovered at 4:15 A.M. in a darkened and closed business in the act of collecting property therefrom for removal. Mr. Calhoun subsequently pled guilty to the charge of Burglary 3<sup>rd</sup> Degree which arose out of this incident. Based on these facts, officers had probable cause to arrest Mr. Calhoun.

### **Use of Force**

The officers did not violate the Plaintiff's constitutional rights under the Fourth Amendment. When a person is seized, his claim of excessive force must be reviewed under the Fourth Amendment objective reasonableness standard.

Graham v. Conner, 490 U.S. 386, 109 S. Ct. 1865, 104 L. Ed. 2d 443 (1989).

Whether the amount of force used by an officer is objectively reasonable turns on several factors, the severity of the crime, if the suspect poses an immediate threat, and whether the suspect is resisting or fleeing. See Graham, 490 U.S. at 394, 109 S. Ct. 1865. Mr. Calhoun was encountered in a dark, closed business while in the process of removing items therefrom, refused to comply with officers' commands to show his hands or to get on the ground, and then attempted to approach the officer in an aggressive manner. Officer Watson clearly perceived Mr. Calhoun's actions as an immediate threat to Officer Arnold. After the initial five-second charge, Mr. Calhoun resisted and was administered a second five-second charge.

Another key factor the Eleventh Circuit looks at is the extent of the injury. Leslie v. Ingram, 786 F.2d 1533, 1536 (11<sup>th</sup> Cir. 1986). Mr. Calhoun received minimal injury, which did not require medical attention, as a result of being struck with the tazer. Furthermore, the courts have held that the application of de minimus force, as used here, without more will not support a Fourth Amendment claim of excessive force. Nolin v. Isbell, 207 F.3d 1253 (11<sup>th</sup> Cir. 2000). This case is similar to Draper v. Reynolds, 369 F.3d 1270 (11<sup>th</sup> Cir. 2004). In Draper a Deputy Sheriff had to taze a suspect in order to arrest him. The court held that the use of force was proportionate to the need, and did not inflict serious injury. When Mr. Calhoun refused to comply with Officer Arnold's commands and approached

him in an aggressive manner in a small dark office, the response choice was either Officer Watson's tazer or Officer Arnold's firearm.

**AFFIDAVIT OF RAY ARNOLD**

STATE OF ALABAMA,  
HOUSTON COUNTY.

Before me, the undersigned authority, personally appeared Ray  
Arnold, who, being by me first duly sworn, did depose and say as follows:

My name is Ray Arnold, and I am over the age of nineteen years and  
reside in Houston County, Alabama. I have personal knowledge of the  
things and matters set forth herein.

I was formerly employed by the City of Dothan Police Department  
from July 1998 to June 2005 and June 2006 to May 2007. I am certified as a

Police Officer by the Alabama Officers Standard and Training Commission. I received extensive training on the use of force at the Police Academy and additional training on the proper use of force from the Dothan Police Department. I have since left the Dothan Police Department and am currently working in my family's business.

On October 9, 2006, I was working in the patrol division of the Dothan Police Department. Auxiliary Officer William Banks and I were working my patrol area and checking businesses. At approximately 4:14 A.M. we discovered the bay door at A&C Auto Repair located at 1350 Fountain Street, Dothan, Alabama to be unsecured and partially open. I contacted Officer Chris Watson and requested backup at the scene. When Officer Watson arrived, we opened the bay door to gain entry to the building. As we opened the door, we heard noises from the back of the business in the area of an office. The business was dark and we were using flashlights to see. Officer Watson and I approached the office and Auxiliary Officer Banks attempted call dispatch to notify them of the situation. As we approached the office, I entered a room to the left and Officer Watson covered the room on the right. Upon entering the room, I discovered a white male, later identified as Jeffrey Wayne Calhoun, standing in the corner of the room. I ordered Mr. Calhoun, at gunpoint, to "show me your hands." I

also ordered him to “get on the ground.” Officer Watson then entered the room. I continued to order Mr. Calhoun to get on the ground but he refused to obey my command. It was dark and I could not tell if Mr. Calhoun was armed. Mr. Calhoun then came toward me in an aggressive manner. At that time, Officer Watson deployed his tazer<sup>1</sup> and fired it at Mr. Calhoun. This caused Mr. Calhoun to go to the ground. When we attempted to handcuff Mr. Calhoun, he physically resisted, and he was tazed for an additional five seconds. We were then able to secure and handcuff Mr. Calhoun. I notified dispatch that we had a burglary in progress and a suspect was in custody. I then walked Mr. Calhoun out of the building and placed him in my patrol car.

When I started filling out my report, Mr. Calhoun told me there was a black male involved in the burglary and had been in the business earlier and had taken a handgun. I had police dispatch contact the investigator on call and ask them to try and make contact with the business owner. Cpl. Brad Cain arrived with a K-9 unit and he and the other officers completed a search of the building. I then searched the wood line and found additional tools that had been removed from the building. Sgt. Donny Smith arrived as

well as the owner of the business, Mr. Chris Lamb. Sgt. Smith photographed the items that were taken and made inventory.

During my pat down search of Mr. Calhoun, I discovered a flat tip screwdriver in his right back pants pocket. I turned this over to Investigator Smith also. I then transported Mr. Calhoun to the Dothan Police Department and he was booked on the charge of burglary. Neither I, nor any other officer, used excessive force against Mr. Calhoun. Mr. Calhoun was only tazed when he refused to obey my commands and when he resisted officers' attempts to handcuff him. Mr. Calhoun was never tazed after he was handcuffed. Neither I, nor any other officer poked Mr. Calhoun with a stick. Mr. Calhoun did not require or request any medical assistance. Mr. Calhoun received no injuries other than the small pricks where the tazer leads struck him. Had Mr. Calhoun appeared injured or requested medical treatment, we would have called paramedics or transported him to the Southeast Alabama Medical Center for evaluation and treatment. By the time Mr. Calhoun was transported to the Dothan City Jail, the slight bleeding, caused by the tazer leads, had stopped.

Mr. Calhoun was caught during the commission of a felony. The room was dark except for our flashlights. Mr. Calhoun refused to show his hands or get on the floor as ordered. When he approached me in a fast,

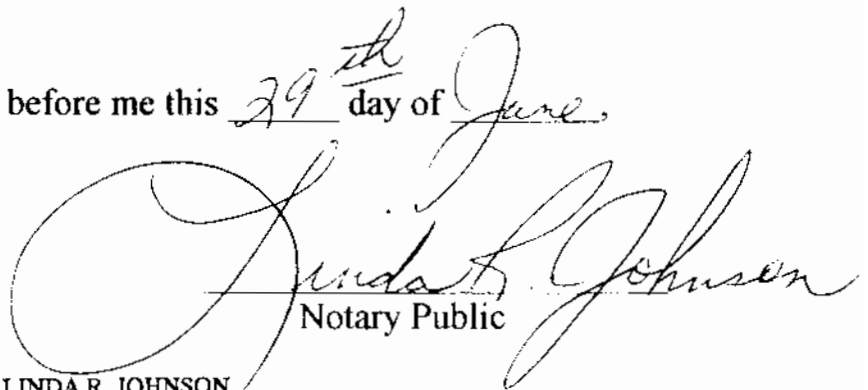

aggressive manner, Officer Watson tazed him to ensure that we would not be injured. Only that force necessary to arrest and contain Mr. Calhoun was used.

Further Affiant sayeth not.

I received extensive training on the use of force at the Police Academy and additional training on the proper use of force from the Dothan Police Department. I have also been trained and certified to carry a tazer<sup>1</sup> as part of my duty equipment.

On October 9, 2006, at approximately 4:14 a.m., I was working in patrol when I was contacted by Officer Ray Arnold in reference to a possible burglary at A&C Auto Repair located at 1350 Fountain Street, Dothan, Alabama. When I arrived at the scene, Officer Arnold and Auxiliary Officer Banks were present. We approached the bay door of the shop which was unsecured and partially open. As we began to open the door, we heard noises from the back of the business in the area of an office. The building was dark so Officer Arnold and I entered the business with our flashlights and approached the office area. Officer Arnold entered a room to the left and I covered the room on the right. me your hands!" I immediately went to Officer Arnold's location. Officer Arnold had his handgun out and was ordering the suspect, Jeffrey Wayne Calhoun, to the ground. Mr. Calhoun was refusing to obey Officer Arnold's commands to show his hands and started towards Officer Arnold in an aggressive manner. At that time, I deployed my tazer and fired it at Mr. Calhoun. The tazer leads struck Mr. Calhoun in the left shoulder and left side. The tazer sends a charge for five seconds which caused Mr. Calhoun to fall to the ground. We then attempted to handcuff Mr. Calhoun and he violently resisted. I then tazed Mr. Calhoun for an additional five seconds. We were then able to control and handcuff Mr. Calhoun. Mr. Calhoun was placed under arrest for burglary. Mr. Calhoun was placed in Officer Arnold's patrol car and the tazer leads were removed from him. Mr. Calhoun did bleed slightly where he was struck by the tazer leads.

After Cpl. Cain arrived at the scene with a K-9, the other officers and I searched for the second suspect and recovered additional items that had been removed from the business and placed in the woods across the street.

Mr. Calhoun was not bleeding from his head or his chest as he alleges. By the time Mr. Calhoun was transported from the scene, any bleeding caused by the tazer leads had stopped. If Mr. Calhoun had visible injuries or complained of any injury, I would have called paramedics and

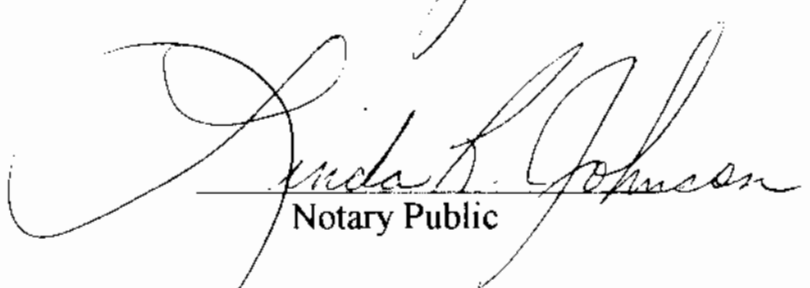

had him transported to the Southeast Alabama Medical Center for evaluation and treatment. Neither I, nor any other Officer, used excessive force on Mr. Calhoun. Had Mr. Calhoun complied with Officer Arnold's orders to get down, show his hands, and not moved toward Officer Arnold in a threatening manner, I would not have tazed him. I deployed my tazer for two five second bursts. No officer tazed Mr. Calhoun after he was handcuffed or poked him with a stick. No officer used excessive force against Mr. Calhoun during the course of the arrest or afterwards.

I have been a police officer for over ten years and I have been employed by the City of Dothan Police Department since 1999. Before me, the undersigned authority, personally appeared Donny Smith, who, being by me first duly sworn, did depose and say as follows:

My name is Donny Smith, and I am over the age of nineteen years and reside in Houston County, Alabama and I have personal knowledge of the things and matters set forth herein.

I am employed by the City of Dothan Police Department and have been so employed since April 25, 1988. I hold the rank of Sergeant, and I

am assigned to the Criminal Investigations Division of the Dothan Police Department. I am certified as a Police Officer by the Alabama Peace Officers Standard and Training Commission.

On October 9, 2006, at approximately 4:20 A.M., I was called to a burglary at A&C Auto Repair located at 1350 Fountain Street, Dothan, Alabama. Upon my arrival, at approximately 4:50 A.M., the suspect, Mr. Jeffrey Wayne Calhoun, was being detained in a police car. I spoke to Officer Ray Arnold who informed me that while on patrol he and Auxiliary Officer, William Banks, had been checking businesses and found the bay door of A&C Auto Repair partially open. Officer Arnold called for backup and Officer Chris Watson arrived on the scene shortly thereafter. As the officers started to enter the building they heard noises. The officers found Mr. Calhoun in an office in the back of the building. Mr. Calhoun was in the process of loading items from the business into a basket. Officer Arnold ordered Calhoun to the ground but he refused and began approaching Officer Arnold in a threatening manner. At this time, Officer Watson deployed his tazer and they were able to gain control of Mr. Calhoun and take him into custody. While at the scene, I observed no obvious injuries on Mr. Calhoun, nor did I hear him complain of any injuries or request medical assistance.

I photographed the scene including the items that Mr. Calhoun was loading in the basket in the business. I contacted the owners of the business, Mr. Chris Lamb and he responded to the scene. Mr. Lamb identified the tools as belonging to him.

Mr. Calhoun had informed Officer Arnold that there was a black male assisting in the burglary and he was in the bushes across the street waiting on him. Mr. Calhoun stated they had already removed some items from the business. Officer Arnold went to the wooded area and found another basket containing air tools that had been taken from the business. I photographed these items also.

Mr. Calhoun was then transported to the Dothan Police Department where he was booked into Dothan City Jail. After being booked Mr. Calhoun was transported to the Criminal Investigation Division conference room where he signed a waiver of rights and gave me a statement. Mr. Calhoun said the black male told him the bay door was not secured and they could gain access to the building through the door. Mr. Calhoun stated he had a drug problem and he needed money to buy more drugs.

Mr. Calhoun did not appear injured in any way. During the interview, which lasted approximately 30 minutes, Mr. Calhoun was not actively bleeding, nor did he complain of any injury or request medical assistance.

Had Mr. Calhoun been actively bleeding or complaining of any injury, he would have been transported to the Southeast Alabama Medical Center for evaluation and treatment. I did not see any officer taze Mr. Calhoun or poke him with a stick. Mr. Calhoun never complained that officers mistreated him in any way. Had Mr. Calhoun complained he was mistreated, I would have documented the complaint and notified the officer's Supervisor as well as my Lieutenant.

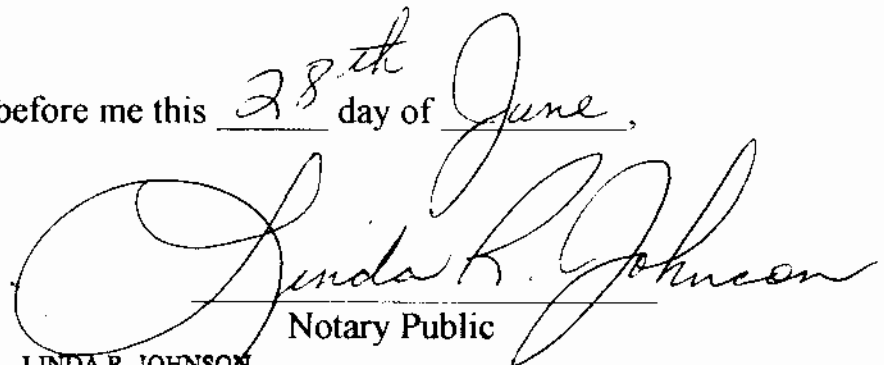

One week after his arrest, Mr. Calhoun sent me a letter offering to provide information on drug dealers if I would assist him in getting out of jail. Mr. Calhoun did not mention anything in his letter about any injuries or being mistreated by officers. Neither I, nor any other officer used excessive force against Mr. Calhoun or refused to provide medical treatment to him.

Further Affiant sayeth not.

**AFFIDAVIT OF WILLIAM BANKS**

STATE OF ALABAMA,  
HOUSTON COUNTY.

Before me, the undersigned authority, personally appeared William Banks, who, being by me first duly sworn, did depose and say as follows:

My name is William Banks, and I am over the age of nineteen years and reside in Dale County, Alabama. I have personal knowledge of the things and matters set forth herein.

I am currently employed by the City of Dothan as a Jail Security Officer and have been so employed since September 04, 2001, and I hold the rank of Sergeant. I also serve as an Auxiliary Police Officer with the City of

Dothan and have served as an Auxiliary Officer since 2003. I have been trained on the proper use of force and I am certified to carry a tazer as part of my duty equipment.

On October 9, 2006, at approximately 4:14 A.M., I was riding with Officer Ray Arnold and we were checking businesses. When we checked A&C Auto Repair located at 1350 Fountain Street, Dothan, Alabama, we found a bay door of the business unsecured and raised approximately one to two feet. Officer Arnold requested back up and Officer Watson arrived at the scene. As we lifted the door to gain entry to the business, we could hear noise coming from the back of the business in the area of an office. The two officers proceeded toward the noise and I stepped out and attempted to advise dispatch what was happening. Officer Arnold went into a room on the left and Officer Watson covered a room to the right. Immediately after Officer Arnold entered the room he shouted "show me your hands!" Officer Watson then entered the room with Officer Arnold. As I attempted to go to assist the other officers, I tripped over something on the floor. The business was dark and we were using flashlights to see. When I arrived at the room, Officer Watson had already fired his taser at Mr. Calhoun. The taser had caused Mr. Calhoun to fall to the ground, and he was resisting officers'

attempts to cuff him. Mr. Calhoun was handcuffed and removed from the building and placed in Officer Arnold's patrol car.

I did not deploy my tazer and to my knowledge, the only person who tazed Mr. Calhoun was Officer Watson. No one tazed Mr. Calhoun after he was handcuffed, nor did anyone poke him with a stick. Mr. Calhoun did not complain of any injury. Had he done so, we would have called paramedics and he would have been transported to the Southeast Alabama Medical Center for evaluation and treatment.

Corporal Cain arrived with a K-9 unit and we conducted a building search for other suspects, we also searched the woods across the street and found additional tools that had been taken from the business. Officer Arnold requested an investigator to respond to the scene. Sgt. Donny Smith of the Criminal Investigative Division arrived and began photographing the area and the tools that were recovered. Mr. Calhoun was then transported to the Dothan Police Department to talk to Sergeant Smith.

As a Jail Security Sergeant for the Dothan City Jail, I am familiar with the policy and procedures of the jail, and had Mr. Calhoun appeared injured or complained of any injury, he would have been transported to the Southeast Alabama Medical Center for evaluation and treatment before he would be allowed to be booked at the Dothan City Jail. No officer used

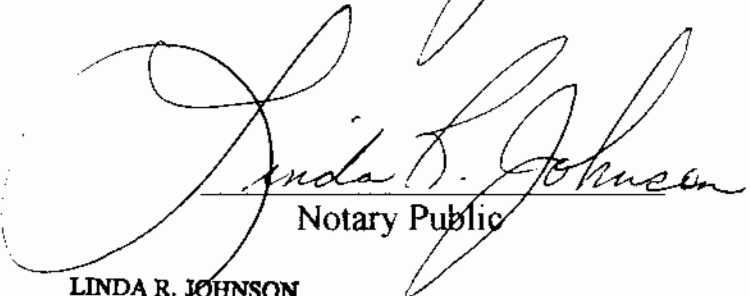

excessive force against Mr. Calhoun, nor did anyone refuse him medical treatment.

Further Affiant sayeth not.

**AFFIDAVIT OF JESSE MATTHEW HESS**

STATE OF ALABAMA,  
HOUSTON COUNTY.

Before me, the undersigned authority, personally appeared Jesse  
Matthew Hess, who, being by me first duly sworn, did depose and say as  
follows:

My name is Jesse Matthew Hess, and I am over the age of nineteen  
years and reside in Houston County, Alabama and I have personal  
knowledge of the things and matters set forth herein.

I am employed by the City of Dothan Police Department and have been so employed since September 15, 2003. I am a Jail Security Officer at the Dothan City Jail. On October 9, 2006, I was working at the Dothan City Jail when officers brought Mr. Jeffrey Wayne Calhoun in on the charge of Burglary III. I took custody of Mr. Calhoun and booked him into the Dothan City Jail at approximately 6:35 A.M. Mr. Calhoun did not have any visible injury, nor did he complain of any injury. Mr. Calhoun did have dried blood on his left shoulder, and stated he had been tazed. Mr. Calhoun was not actively bleeding at any time while in my presence. If Mr. Calhoun had any visible injury or complained of any injury, he would not have been processed at the jail until he was evaluated or treated for said injury. Mr. Calhoun would have been transported to the Southeast Alabama Medical Center for evaluation and/or treatment pursuant to the policy and procedure of the Dothan City Jail. If Mr. Calhoun needed immediate care, I would have called the paramedics and an ambulance for transport.

As part of the booking process, which is videotaped, Mr. Calhoun was asked a series of medical questions. I asked Mr. Calhoun if he had any bruising, open cuts, recent head injury, or any other medical problems we need to be aware of and Mr. Calhoun answered only that he had a "shock wound", pointing to his left shoulder where he had been tazed. I

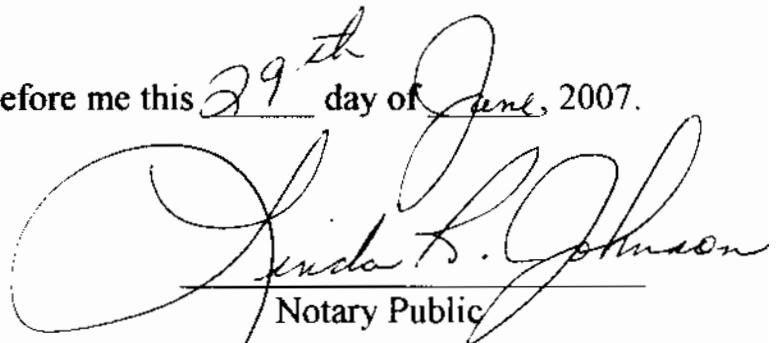

documented that Mr. Calhoun was tazed at the scene of his arrest. At 10:33 A.M. on October 9, 2006, Mr. Calhoun was transported to the Houston County Jail on the felony charge. Mr. Calhoun did not request medical treatment and he was not refused medical treatment by anyone at the Dothan City Jail.

Further Affiant sayeth not.

One of the responsibilities of the Internal Affairs Division is to take and investigate complaints about Dothan police officers that are made to the Police Department by citizens.

Any time such a complaint is made against an officer, it is sent to the Internal Affairs Division. I have reviewed the records of the Internal Affairs Division from October 9, 2006 forward, and I have found no complaint made by, or based on any alleged mistreatment of a Mr. Jefferey W. Calhoun.

It is my understanding that Mr. Calhoun uses a number of aliases, to-wit: Jeffrey Wayne Collins, Jeff Wallace, Jeffery Ollins, Jeff T. Clines. I have searched for and found no complaints filed by or related to any of the above names.

Before me, the undersigned authority, personally appeared Jeffrey Arnold, who, being by me first duly sworn, did depose and say as follows:

My name is Jeffrey Arnold, and I am over the age of nineteen years and reside in Houston County, Alabama. I have personal knowledge of the things and matters set forth herein.

I am employed by the City of Dothan Police Department and have been so employed since 1997. I am currently assigned to the Criminal

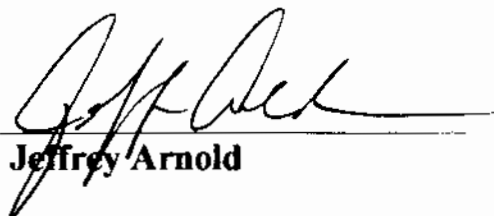

Investigation Division of the Dothan Police Department. I am also a Certified Tazer Instructor and have been since 2003. I have trained and assisted in training almost every member of the Dothan Police Department in the proper use of the tazer system. The Dothan Police Department currently uses two types of tazers, M-26 for patrol and jail service officers and X-26, which are smaller and issued to plain clothes officers. Both models function in the same manner.

The tazer is a less than lethal conducted energy weapon shaped like a hand gun. The weapon has a cartridge on the front that contains two wire leads twenty-one feet long which are propelled by nitrogen gas when the weapon is fired. Each lead terminates with a small probe that has a barbed point. The probe will generally pierce the target's clothing and depending on the thickness of the clothing and distance from the unit, will often pierce the target's skin. The probe will only pierce the skin to a depth of one-quarter inch. When the wire leads make contact with a subject, the weapon sends a five-second charge to the subject. This charge controls and overrides the body's central nervous system causing involuntary and uncontrollable contractions of the muscle tissue in order to physically debilitate a target. The device is used by Federal, State and local law enforcement agencies across the country.

It is unlikely that a tazer unit would withstand continuous activation for thirty minutes. During training we instruct officers that activation of ten consecutive cycles (50 seconds) may cause the unit to short circuit.

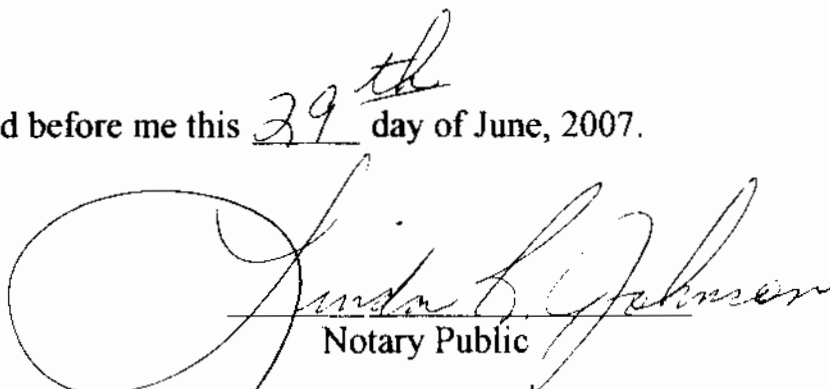

Dothan officers are trained in the proper use of the tazer and the department has set up guidelines in the form of Procedural General Orders for the use of the tazer. The guidelines allow the use of a tazer to subdue and apprehend a suspect who refuses to comply with lawful orders of the officer or those who resist arrest and/or handcuffing. The tazer is never used for punishment and any officer shown to have used his tazer in this manner would be subject to discipline pursuant to the Dothan Civil Service Act and prosecuted by the proper authority.

Further Affiant sayeth not.

18 to person under age 18) or 13A-12-231(drug trafficking), Ala. Code 1975, you shall be assessed an additional fee of \$1,000 if you are a first-time offender or \$2,000 if you are a repeat offender under one of these sections. Collection of all or part of the penalty will be suspended if, with court approval, you enter a drug rehabilitation program and if you agree to pay for a part or all of the program costs. Upon successful completion of the program, you may apply to the court to reduce the penalty by the amount actually paid by you for participation in the program. Any suspension of the penalty can be withdrawn by the court if you fail to enroll in or successfully pursue or otherwise fail to complete an approved program. In addition, pursuant to Section 13A-12-214 (unlawful possession of marijuana in the second degree), Section 32-5A-191(a)(3) or Section 32-5A-191(a)(4)(DUI offenses involving drugs), you will lose your privilege to drive a motor vehicle for a period of six months, which shall be in addition to any suspension or revocation otherwise provided by law.

☐ Alcohol/Drug Related Offenses: If you are convicted of an alcohol or drug-related offense, you will be required to undergo an evaluation for substance abuse. Based upon the results of any such evaluation, you will be required to complete the recommended course of education and/or treatment and to pay for the evaluation and any cost of program to which you are referred. Failure to submit to an evaluation or failure to complete any program to which you may be referred will be considered a violation of any probation or parole you may be granted. You may also be required to attend monitoring sessions, including random drug and alcohol testing or blood, urine and/or breath, tests and to pay a fee for this service. You may request a waiver of part of all of the fees assessed if you are indigent or for any portion of time you are financially unable to pay. ## RIGHTS YOU HAVE AND WAIVER OF YOUR RIGHTS

Under the Constitution of the United States and the Constitution and laws of the State of Alabama, you have a right to remain silent and you may not be compelled to give evidence against yourself. Your attorney cannot disclose any confidential talks he/she has had with you. You are not required to answer any questions. If you do answer questions knowing that you have a right to remain silent, you will have waived this right.

You have the right to enter, and continue to assert, a plea of "Not Guilty" or "Not Guilty by Reason of Mental Disease or Defect," and have a public trial before a duly selected jury. The jury would decide your guilt or innocence based upon the evidence presented before them. If you elect to proceed to trial, you would have the right to be present, you would have the right to have your attorney present to assist you, you would have the right to confront and cross examine your accuser(s) and all the State's witnesses, you would have the right to subpoena witnesses to testify on your behalf and to have their attendance in court and their testimony required by the court, and you would have the right to take the witness stand and to testify, but only if you chose to do so, as no one can require you to do this. If you elect to testify, you can be cross examined by the State, just as any other witness is subjected to cross examination. If you decide not to testify, no one but your attorney will be allowed to comment about that fact to the jury. Your attorney is bound to do everything he/she can honorably and reasonably do to see that you obtain a fair and impartial trial.

If you elect to proceed to trial, you come to court presumed to be innocent. This presumption of innocence will follow you throughout the trial until the State produces sufficient evidence to convince the jury (or the court if the trial is non-jury) of your guilt beyond a reasonable doubt. You have no burden of proof in this case. If the State fails to meet its burden, you would be found not guilty. If you are entering a guilty plea to a charge for which you have not yet been indicted, you are waiving indictment by a grand jury and you will be pleading guilty to a charge preferred against you by a District Attorney's information filed with the court.

IF YOU PLEAD GUILTY, THERE WILL BE NO TRIAL. YOU WILL BE WAIVING THE RIGHTS OUTLINED ABOVE, EXCEPT YOUR RIGHTS RELATING TO REPRESENTATION BY AN ATTORNEY. THE STATE WILL HAVE NOTHING TO PROVE, AND YOU WILL BE CONVICTED AND SENTENCED BASED ON YOUR GUILTY PLEA. BY ENTERING A PLEA OF GUILTY, YOU WILL ALSO WAIVE YOUR RIGHT TO APPEAL, UNLESS (1) YOU HAVE, BEFORE ENTERING THE PLEA OF GUILTY, EXPRESSLY RESERVED THE RIGHT TO APPEAL WITH RESPECT TO A PARTICULAR ISSUE OR ISSUES, IN WHICH EVENT APPELLATE REVIEW SHALL BE LIMITED TO A DETERMINATION OF THE ISSUE OR ISSUES RESERVED, OR (2) YOU HAVE TIMELY FILED A MOTION TO WITHDRAW THE PLEA OF GUILTY AFTER PRONOUNCEMENT OF SENTENCE ON THE GROUND THAT THE WITHDRAWAL IS NECESSARY TO CORRECT A MANIFEST INJUSTICE, AND THE COURT HAS DENIED YOUR MOTION TO WITHDRAW YOUR PLEA, OR THE MOTION HAS BEEN DEEMED DENIED BY OPERATION OF LAW.

IF YOU HAVE A RIGHT TO APPEAL UNDER ONE OF THE CONDITIONS ABOVE AND YOU ARE DETERMINED BY THE COURT TO BE INDIGENT, COUNSEL WILL BE APPOINTED TO REPRESENT YOU ON APPEAL IF YOU SO DESIRE AND IF THE APPEAL IS FROM A CIRCUIT COURT JUDGMENT OR SENTENCE, A COPY OF THE RECORD AND THE REPORTER'S TRANSCRIPT WILL BE PROVIDED AT NO COST TO YOU.

IF YOU HAVE ANY QUESTIONS ABOUT YOUR RIGHTS OR THE CONSEQUENCES OF PLEADING GUILTY, PLEASE LET THE COURT KNOW NOW AND FURTHER EXPLANATION WILL BE MADE.
